## Foldscopes Enhance 7th Grade Science Education

Dear MGEF,

Thank you for the funds that allowed us to purchase Foldscopes for use by the 7th graders at Glacial Drumlin School. The grant supplies were purchased for a total of \$1112.66 which came in under the \$1200.00 that was requested.

We purchased foldscopes to enhance the outdoor experience of students as they explored the microscopic world. Since then, students have examined both prepared slides and live samples with the supplies purchased with the grant funds. Among other things, 7th grade students used the foldscopes during the 7th grade fall field trip to the Cottage Grove School Forest.

Anecdotal summaries from the day included: "That's so cool!" "What am I looking at?" "That's the leg of a butterfly? It's so hairy, it needs to shave." "That's awesome!" "I had no idea it looked like that!"

Overall, this addition to our science program allowed all 7th graders to access the tools of scientists in a mobile way. Thank you for supporting innovation by educators in the district,

*The 7th grade science team -*

*Melissa Vervoort-Landsness, Tim Mortensen, & Tara Dahlberg*

# Staff & Alumni NEWS

**Greg Quinn**, Class of 1964, Overland Park, Kansas reports that “My wife Dori and I celebrated our 50th wedding anniversary on August 13, 2022. We were married in Madison and are the proud parents of four children and 17 grandchildren. We have resided in Overland Park, Kansas, since 1976. We are enjoying our retirement years visiting relatives and taking trips to various parts of the United States.”

**Lisa (Borchert) Kuwitzky**, Class of 1979, Cottage Grove, reports that “I retired from UW Health in April 2022 after working there for about 20 years. This has allowed me to spend more time with my parents as well as my sister (who is retired) and having fun with her grandkids (my great nieces and nephews). I also look forward to being able to travel more with my husband, friends and family.”

**McKenna Warnock**, Class of 2019, closed out her career as a member of the Iowa Hawkeyes women’s basketball team by playing in the Division I NCAA National Championship game. In her senior year, she started 36 games, averaging 10.9 points per game and made 212 rebounds. The 2018-2019 Miss Wisconsin Basketball award winner scored 1277 points, grabbed 755 rebounds and recorded 287 assists in her career at Iowa. Warnock is one of just eight Iowa women’s players to score more than 1,000 points and 640 rebounds in a career. Her future plans include attending dental school.

## CLASS Reunions

## MGEF Board Member and Monona Alder Kathy Thomas Passes Away

MGEF Board member and long-time Monona Alderman **Kathy Thomas**, passed away peacefully on March 12, 2023. The mother of two MG graduates, **James**, Class of 1987 and **Elizabeth**, Class of 1989, Kathy had been a member of the MGEF Board since 2015. A prolific fundraiser, she was instrumental in many of the organization's fundraising efforts. More notably, the MGEF Pay it Forward program was developed at Kathy's suggestion. Pay it Forward is designed to provide extra support and financial assistance to Monona Grove students struggling with food instability or clothing; and those needing additional educational support outside of traditional school programs.

Alder Thomas was the longest-serving elected official in the history of the City of Monona, serving a total of almost 37 years on the City Council. She was first elected in 1979 and retired from service in 2016. However, she returned to a seat on the City Council again in 2019. Her final term in office was to end in April 2023. She had announced last December that she would not be seeking reelection for another term. Kathy was an institution in Monona. She will be missed.
